

# PWCS Portal/ClassLink Instructions

1.) Search PWCS Portal from your browser:

2.) Select the result below.

Prince William County Public Schools

<https://www.pwcs.edu> > departments > classlink

**PWCS Portal - Prince William County Public ...**

The PWCS Portal provides students, teachers, and staff with an efficient interface that facilitates one-click access to instructional applications.

3.) Click on the *Log in to PWCS Portal* button.

The PWCS Portal provides students, teachers, and staff with an efficient interface that facilitates one-click access to instructional applications.

The PWCS Portal offers QuickCard sign-in, similar to Clever Badges, ensuring easy access for students in grades Pre-K-2 and students with specific accommodations.

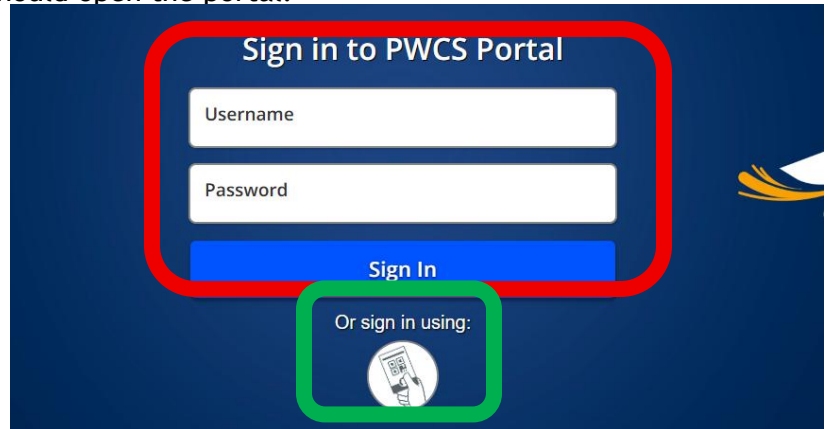

**Log in to the PWCS Portal**

## How To Log In To The PWCS Portal

4.) Sign in with the student's username and password (red box) and click on "Sign In."

If your student has been supplied with a Quick Card with a QR Code, select the icon shown in the green box and scan the QR code. This should open the portal.

5.) To use Lexia or Zearn on a tablet (e.g. a personal iPad), you will need to download the apps from the app store prior to logging into the PWCS Portal. After you have downloaded the apps, you can then log into the Portal and sign in to the appropriate program.
